# ABOUT VIVID PVD COATING

'VIVID PVD COATING' is one of the leading fabricators in the field of stainless steel furnishing and interiors. We take pride in providing our customers with exceptional customer service. We are in the field of fabrication since 1998.

Over the years, 'VIVID PVD' has grown from strength to strength and today it is one of the leading companies dealing in architectural stainless steel products.

[www.vividpvdcoating.com](http://www.vividpvdcoating.com)

We are specialized in most of the fields where stainless steel is used. We have successfully completed significant projects of eminent Architects & Engineers and leading Interior Decorators.

We incorporate new ways and designs to meet the essentials of new trends and contemporary innovations. We always appreciate challenging tasks when it comes to fabrication. 'VIVID PVD COATING' (I) Pvt. Ltd. has come up triumphant every time a challenging fabrication task is given to them. We believe that nothing is impossible when it comes to fabrication & designing.

## MOTTO

## VIVID PVD COATING

Our motto is “Excellent Quality at Committed Time”. ‘VIVID PVD COATING’ (I) Pvt. Ltd. strives to deliver quality products & timely services to its customers within the promised time. Innovative technology and comprehensive after sales service forms the basis of our success. We have efficient and fully dedicated staffs that are committed to work round the clock to finish the projects on time. Our staff consists of proven professionals that are highly motivated. Their dedicated efforts have catapulted our company into the top bracket in the Stainless steel interiors & designing category.

We innovate the designs in combination with Glass & wood to present variety of products of aesthetics. Our products and services ranges to large extent and name few of them are: Railings (Stainless steel, Glass & wood), SS Cladding, Canopies, Spider Fittings & Glazing (we have our own manufacturing unit of all the fittings & accessories), Glass Doors and Partitions, Show Room Fittings (Storage stands/racks, Display units etc.), Star Hotel Furniture & SS interiors.

# WHY

## VIVID PVD COATING

The objective of the company is to provide good & timely services, guiding and assisting customers to get the desired results. Our superior services have given us valuable customers to whom we are dedicated eternally.

It is our endeavour to keep on improving our products and services so that customers get what they really want.
